BRUCE - Triathlete Bruce has an awesome cat like body carved from his many races. He is really into it. A grueling daily training routine, special diet and a burning desire to win. He quite liked showing his body off during the clothed shots but was quite nervous to get his board shorts off in front of a male film crew. He did and went onto pulled himself all over his magnificent body..

He found it hard keeping his eyes open on the beach but got some good shots in the studio. He was shy taking down his pants but soon got into it and surprisingly - came without knowing.

MITCHELL - Get the boy to the Glory hole, to be sucked ! Many of you urged. So we did . .
